

## Professor Giorgio Lorenzo Colombo

Health Economist

Professor Giorgio Lorenzo Colombo holds a position as Adjunct Professor of Organization Theory and Pharmacoeconomics at the Department of Drug Sciences. Besides his strong academic background, Prof Colombo has accumulated considerable experience in the economic analysis of health care systems and performed economic evaluations of health care programmes and technology assessments for pharmaceutical companies and Italian Authorities. He is also Scientific Director at Center of Research SAVE Studi – Health Economics & Outcomes Research, Milan ([www.savestudi.it](http://www.savestudi.it)). Center of Research SAVE Studi specialises in research, counselling and training in Health Economics, Pharmacoeconomics and Outcomes research, bringing together theoretical perspectives, academic models and business experience.

Professor Giorgio Lorenzo Colombo has authored or co-authored about 218 scientific papers and 3 books in the fields of Health Economics and Pharmacoeconomics research (please see a list of recent publications below). Prof. G.L. Colombo is also member of a various Scientific Board of National and International peer review Journals and Editor-in-Chief of ClinicoEconomics and Outcomes Research Journal.
