

## Europass Curriculum Vitae

### Personal information

First name/ Surname **Daniele Lilleri**

Address

Telephone

Fax

E-mail

Nationality Italian

Date of birth

Gender M

### Work experience

Dates 1998-2003

Occupation or position held Specialization at Servizio di Virologia

Name and address of employer Fondazione IRCCS Policlinico San Matteo, Pavia, Italy

Dates 2003-2010

Occupation or position held Research contract at Servizio di Virologia

Name and address of employer Fondazione IRCCS Policlinico San Matteo, Pavia, Italy

Dates 2010-2016

Occupation or position held Visiting Scientist

Name and address of employer Institute for Research in Biomedicine, Bellinzona, Switzerland

Dates 2010-2020

Occupation or position held Reserch contract

Name and address of employer Laboratorio Genetica – Trapiantologia e Malattie cardiovascolari (former: Laboratori Sperimentali di Ricerca – Area trapiantologica) Fondazione IRCCS Policlinico San Matteo

Dates 2021-present

Occupation or position held Medical staff

Name and address of employer Microbiologia e Virologia, Fondazione IRCCS Policlinico San Matteo

### Education and training

Title of qualification awarded MD

Name and type of organisation providing education and training School of Medicine, Università degli Studi di Pavia, Italy,

Dates 2003

Title of qualification awarded | Specialization in Microbiology and Virology, Università degli Studi di Milano, Italy

**Personal skills**

Mother tongue Italian  
 Other language(s)

English

Understanding		Speaking		Writing
Listening	Reading	Spoken interaction	Spoken production	
Independent user	Proficient user	Independent user	Independent user	Proficient user

**Additional information****Teaching experience**

Lectures for the School of Medicine and for the School of Specialization in Microbiology and Virology, “Facoltà di Medicina e Chirurgia, Università degli Studi di Pavia”

**Research activity**

- validation of new molecular assays for diagnosis and monitoring of human cytomegalovirus (HCMV) infections in immunocompetent and immunocompromised subjects;
- analysis of HCMV-specific humoral and cell-mediated immune responses in immunocompetent and immunocompromised subjects aimed at the identification of correlates of protection from infection/disease;
- identification of the main pathogenetic features of HCMV infection;
- development of an anti-HCMV vaccine;
- principal investigator of the research project: “Dissection of the immune response to human cytomegalovirus glycoprotein complexes: perspective for the development of a candidate subunit vaccine” (RF-2010-GR-2010-2311329; Ministero della Salute, Roma)
- principal investigator of the research project: “Human cytomegalovirus: prognostic factors of virus transmission to the fetus and congenital disease” (2012-0626; Fondazione Cariplo, Milano)
- co-investigator of the research project: “Antibody mediated control of cytomegalovirus at the materno-fetal interface” (CYMAF; Infect-ERA-Ministero della Salute, Roma)
- principal investigator of the research project: “Pathogenesis and prevention of human cytomegalovirus non-primary infection” (FRRB 2015-0043; Fondazione Regionale per la Ricerca Biomedica, Regione Lombardia)
- principal investigator of the research project: “Signatures of immune protection from human cytomegalovirus infection and their application to a vaccine design” (PE 2016-02362470; Ministero della Salute, Roma)

**Scientific Societies**

Member of Società Italiana di Virologia (SIV)  
 Member of European Society for Clinical Virology (ESCV)  
 Member of the European Society for Virology (ESV)  
 Member of the “Transplantation Society International CMV Consensus Group”

**Scientific activity**

Co-author of 177 peer reviewed publications in international scientific journals  
 H-index: 46 (Scopus)

**International Scientific awards:**

2007 ESCV “Abbott Diagnostic Award” for original contributions in the field of viral diagnosis.

**Annexes**

List of Scientific publications
