## Personal data

Name Eskild Petersen

Civil Registration No.

Martial status

---

## Academic degrees

2015	Adjungated Professor of Tropical Medicine, Aarhus University, Denmark
2013	Professor of Tropical Medicine and Parasitology, Aarhus University
2005	Doctor of Science, DSc, Karolinska Institute, Stockholm. Diagnosis of infection with <i>Toxoplasma gondii</i> in pregnant women, neonates and immunocompromised patients
2002	Master of Business Administration, MBA, Scandinavian International Management Institute, SIMI, Copenhagen.
1980	Diploma in Tropical Medicine and Hygiene, DTM&H, Liverpool School of Tropical Medicine and Hygiene, University of Liverpool
1978	Medical Degree, University of Aarhus, Denmark

---

## Honorary degrees

2018	Follow of the International Society for Travel Medicine
2017	ESCMID Fellow
2009	Fellow of the Faculty of Travel Medicine, Royal College of Physicians and Surgeons of Glasgow. FFTM RCPS (Glasg)
2001 - 2006	Honorary Senior Lecturer, Department of Paediatric Epidemiology and Biostatistics, Institute of Child Health, University of London

---

## Specialist degrees

1985 - 1988	Specialist of Tropical Medicine
1981 - 1985	Specialist of Infectious Diseases (Denmark and Sweden)
1978 - 1980	Internship

---

## Theoretical training

---

August 2005	University teaching paedagogic course. Aarhus University, followed by 12 months project work with student evaluations and colleague coaching where two teachers evaluate each other over several months.
April 2005	Genetics of Complex Diseases, Karolinska Institutte, Stockholm
Februar 2005	Biometrics and Genomics, Karolinska Institutte, Stockholm
Januar 2005	Animals for Research, Karolinska Institutte, Stockholm
Juli 1984	Intensive course in epidemiology, London School of Hygiene and Tropical Medicine.
Juli 1974	Course in Tropical Medicine, (Medical Summer School), American University of Beirut, Libanon.

## Employments

### Research positions

30.9.05 – 31.12.05	University of Aarhus, Reseach leave.
11.1985 - 10.1987	Research fellow, UNDP/World Bank/WHO Special Program on Research and Training in Tropical Diseases. Malaria Research Unit, Yekepa, Liberia administreret af Karolinska Institutet, Stockholm.

### Employment after specialisation

1.02.19 – 31.01.20	Senior Advisor, Directorate General for Disease Surveillance and Control, Ministry of Health, Muscat, Oman. Special areas: the national plans for malaria, tuberculosis and travel medicine.
1.11.15 – 31.01.19	Senior Consultant, Infectious Diseases, The Royal Hospital, Muscat, Oman
15.10.03 – 31.10.15	Consultant, Department of Infectious Diseases, Aarhus University Hospital, Skejby
1.01.02 - 14.10.03	Head of Department and Consultant, Department of Gastrointestinale and Parasitic Infections, Statens Serum Institut, Copenhagen, Denmark
01.1999 – 12.2001	Head of Department and Consultant, Department of Mycobacterial and Parasitic Infections, Statens Serum Institut, Copenhagen, Denmark
06.1995-09.1995	Senior registrar, Department of Infectious Diseases, Hvidovre Hospital, Copenhagen, Denmark
01.1993 - 12.1998	Consultant and head, Laboratory of Parasitology, Statens Serum Institut, Copenhagen, Denmark
07.1989 - 12.1992	Consultant, Laboratory of Parasitology, Statens Serum Institut, Copenhagen, Denmark
01.01.88 - 07.31.1989	Senior Registrar, Department of Infectious Diseases, Roslagstull Hospital, Karolinska Institute, Stockholm, Sweden

### Employment before specialisation

02.1981 - 08.1985	Clinical training in infectious diseases, Linköping University Hospital Sweden
07.1978 - 09.1980	Internship, Herning Central Hospital, Herning, Denmark

---

## Teaching

2008 -	Course leader. "Infectious Diseases in a global perspective. Tropical Medicine and International Health". A 4 week course for pregraduate student at the 1. clinical term at medical school. Ten courses completed by 2019.
--------	---

---

2007	Postgraduate training course in research methodology for physicians.
2003 - 2015	Examination clinics for last semester medical students. Department of Infectious Diseases, Aarhus University Hospital, Aarhus Denmark.
2003 - 2019	Bedside teaching demonstrating patients.
2003 - 2015	Lectures for medical students at the Department of Infectious Diseases, Aarhus University Hospital, Aarhus. Two lectures per semester on malaria and gastrointestinal infections, pneumonia and malabsorption.
1995 - 2015	Lectures for medical students, Clinical Microbiology, University of Aarhus. Three hours symposium on parasitic infections (twice yearly).
1995 - 2015	Parasitology and tropical medicine for infectious disease specialists. One lecture per course appx. once per year.
1995 - 2015	Parasitology for specialists of clinical microbiology. One lecture per course appx. once per year.
1993 - 2015	Courses in Travelmedicine for general practitioners including, malaria, imported infections, SARS, emerging infections and travel immunisations.

## Scientific activities

### Opponent at PhD thesis

Thomas Greve. Diagnosing patients with community-acquired pneumonia: improvement through PCR analysis and a teaching intervention. University of Aarhus, Denmark. Chairman, evaluation committee. Scheduled for 8<sup>th</sup> June 2012.

Kirill Gromov. Osteoclastic Bone Resorption in Chronic Osteomyelitis. Faculty of Health Science, University of Aarhus, Denmark. 2009.

Alvydas Malakaukas. Molecular epidemiology of trichinellosis in Lithuania and biological characteristics of *Trichinella* genotypes in rat. Royal Veterinary University, Copenhagen. 2002.

Thelma S. Okey. Étude de la kystigénèse de *Toxoplasma gondii* chez le rat immunocompetent ou immunodéprime et dans un modèle d'infection congénitale. Characterisation génotypique de différentes souches et clones toxoplasmiques par amplification aléatoire. Département de Parasitologie-Mycologie Médicale et Moléculaire, Faculté de Médecine, Université Joseph Fourier, Grenoble, France.

Hervé Pelloux. Production de cytokines par des monocytes-macrophages et par des cellules d'astrocytome d'origine humaine après infection par *Toxoplasma gondii*: étude de Tumor Necrosis Factor Alpha, de l'interleukine 1 Alpha et de l'interleukine 6. Département de Parasitologie-Mycologie Médicale et Moléculaire, Faculté de Médecine, Université Joseph Fourier, Grenoble, France.

### Supervisor for PhD students

2020 (expected)

Sandra Marie Skovgal. In vitro and in vivo effect of ultradense polyethylene glycol coating on foreign bodies to prevent the formation of biofilms. The iNANO Center, University of Aarhus, Faculty of Health Sciences.

2018

Charlotte Stecher, MD. Schistosomiasis in Mali. A comparative study of different praziquantel schedules. In collaboration with the University of Bamako and University of Copenhagen.

2016

Phillip Debra, MSc. Improving efficacy of malaria treatment and diagnosis. Supported by Danida, BSU (Building stronger Universities) programme in collaboration with the Faculty of Health Sciences, University of Ghana, Accra, Ghana.

2016

Kristina Öbrink-Jensen. Antibiotic treatment assessment and optimization through therapeutic drug monitoring. With co-supervision from Birgitte Broch, Department of Biochemistry, Aarhus University Hospital and Søren Fangel-Jensen, Department of Infectious Diseases, Aarhus University Hospital, Denmark.

- 
- 2016                   Nis Pedersen Jørgensen. Staphylococcal biofilm infections on orthopedic implants: the importance of various regulatory genes on biofilm expression and its interaction with different antibiotics. Submitted to the faculty of Health Science November 2010 for an MD-PhD grant. In collaboration with Kurt Fuersted, Department of Clinical Microbiology, Aarhus University Hospital Skejby and Rikke Meyer, iNANO, Faculty of Science, University of Aarhus.
- 2012                   Carina Rosenberg. Immunity to chronic intracellular microorganisms: clinical and experimental studies of *Toxoplasma gondii* and hepatitis B virus Faculty of Health Science, University of Aarhus, Denmark. 2009. In collaboration with Thomas Vorup, Institute of Medical Microbiology and Immunology, Aarhus University (handed in to the faculty the 28.9.2012).
- 2011                   Ulla Schierup Nielsen. Risk of hepatitis A and B in travellers. In collaboration with the Department of Epidemiology, Statens Serum Institut, Copenhagen.
- 2010                   Jane Byriel Knudsen. Infectious Endocarditis. Current problems in management and siagnosis. In collaboration with Dr Henrik Egebjerg, Department of Cardiology, Aarhus University Hospital, Skejby. Started 2006.
- 2006                   Lone Møller. Human *Trichinella* infections in Greenland (in collaboration with Professor Christian Kapel, Royal Veterinary School, Copenhagen and Professor Mads Melby, Department of Epidemiology Research, Statens Serum Institut, Copenhagen. 4 November 2006.
- 2005                   Dorte Remmer Schmidt. Congenital toxoplasmosis in Denmark. University of Copenhagen. 25 November 2005.
- 2002                   Henrik Vedel Nielsen. The Development of DNA-vaccines against HIV and *Toxoplasma gondii*. University of Copenhagen. 2002.
- 1999                   Kim P. David. The control of Malaria in pregnancy by impregnated bed nets. A community study from Sierra Leone. University of Aarhus, Denmark, 1999.
- 1995                   NuahnT. Marbiah. Control of malaria by impregnated bed nets and regular chemosuppression in an area with holoendemic malaria. (In collaboration with Professor David Bradley, London School of Hygiene and Tropical Medicine), 1995.

Visiting professor

Visiting Professor, Department of Infectious Diseases, University of Brescia, Italy. WHO Collaborating Center on Migration and Travel Medicine.  
15 May – 16 June 2018, invited by Professor Francesco Castelli.

Invited expert reviews

- 2012                   Ministry of Education, Rome, Italy. External evaluation of research activities at Italian Universities.
- 2010, 2011           Invited reviewer for INSERM, France.
- 2009                   International Foundation for Science, IFS. IFS is a non-governmental organization which supports promising young scientists from developing countries to do research in such countries.

---

2006	DLR-Project Management Agency, Deptment of Health Research, of the German Federal Ministry of Education and Research (BMBF).
2003	External scientific reviewer for the Austrian Medical Research Council.
2003	External scientific reviewer for the Welcome Foundation, UK
2002	Chariman, international committee evaluating the Center for Experimental Parasitology appointed by the dean at the Royal School of Veterinary Medicine, Copenhagen, Denmark.
2000	Chairman, National Reference Group on Malaria Prophylaxis in Travellers. National Board of Health.
	External scientific reviewer for the Czech Medical Research Council.
2001	National Institute of Health, NIH, National Eye Institute. Konsulent opgave omkring bekæmpelse og kontrol af okulær Toxoplasmose.
1999	External scientific reviewer fro the Czech Medical Research Council.
1999 - 2000	Expert reviewer, malaria and tuberculosis. The 5th Framework Programme, EU. Key Action 2 "Control of Infectious Diseases" (June 1999, January 2000, December 2000).
1998 - 1999	Invited member of a advisory group on Toxoplasma and food safety, Centers of Diseases Control, Atlanta, United States.
1997	External reviewer for the Ministère de l'Enseignement Supérieur et de la Recherche", Paris, France.
1993	Expert adviosr to the EU-mission, Pakistan, on EU support for the national malaria control program.

### Major research grants and research projects

27.	2018	I am currently developing the SEVTRAV project (Severe infections in returning travellers) for GeoSentinel. We have assured collaboration with the Erasmus Medical center, Rotterdam; 27 GS centers have expressed interest and next phase is development of a detailed protocol, ethical approval nd funding.
26	2015	Genetic characterization of <i>Plasmodium vivax</i> malaria in Oman. ESCMID grant 30,000 €.
25.	2013	Sino-Danish Vaccine Symposium 28 – 30 June, Health, Aarhus University. Danish Medical Research Council 250,000 Dkr in collaboration with Mogens Kilean, Uffe Skov Sørensen and Thomas Vorup-Jensen.
24.	2012	Participate in a collaborate project on developing a new malaria diagnostic tool based on microfluidics and malaria specific topoisimerate enzyme activity. Leading scientist Birgitta Knudsen. Supported by 3.5 mil. Dkr by East-Jutland Innovation.
23.	2011	Gene delivery for gene therapy in cystic fibrosis. 4.8 mil. DKR (€ 645,000) Targeting the Aha1 gene by siRNA encapsulated in photosan. Danish Strategic Research Council in collaboration with Professor Jørgen Kjems, Institute of Molecular Biology, Aarhus University.
22.	2010	Establishing collaboration with a research group at Guangzhou Veterinary University and Southern China School of Tropical Medicine

- and Public Health on the development of vaccines using *Toxoplasma gondii* as a model. One year post doc grant from the Danish Medical Research council, 50,000€.
21. 2010 Prevention of hepatocellular carcinoma by treatment of chronic hepatitis B and C using nanoparticle-based gene transfection of dendritic cells. 650,000 DKr in collaboration with Thomas Vorup Jensen, Institute of Medical Microbiology and Immunology, Faculty of Health Science, University of Aarhus.
20. 2009 One year PhD grant for Ulla Schierup Nielsen for her studies on hepatitis A and B in travellers.
19. 2009 Development of experimental vaccines against *Toxoplasma gondii*. PhD project for Carina Rosenberg, BSc. University of Aarhus. 635.000 DKK.
18. 2008 ERC Advanced Grant 2008 (ERC-2008-AdG, proposal no. 232818: Development of generic vaccines base don genome wide expression of ORFs using toxoplasma gondii as a model) med karakteren 4,63 ud af 8. Panelet skrev bl.a.: The applicant has a strong record in the area of malaria and toxoplasmosis, The principle investigator has a good track-record and the proposal is of good scientific value.
17. 2006 Cytotoxic T lymphocytes and dendritic cells in HIV infections. University of Aarhus. 400.000 DKK.
16. 2005 Metabolic side effects of anti-retroviral treatment in a porcine Institute of Clinical Medicine, University of Aarhus. 100.000 DKK.
15. 2002 – 2005 Epidemiologi af *Trichinella* infections in Grønland. Commission for Scientific studies in Greenland. 1.5 mio. DKK.
14. 2004 – 2005 Meta-analysis of cohorts of children with congenital toxoplasmosis identified by pre- and neonatal screening. NIH, USA, 100.000 USD in collaboration with the Institute of Child Health, London.
13. 1996 - 2004 Identification of genetic markers for mothor to child transmission of *Toxoplasma gondii*. The study is a part of the European Multicentre Study on Congenital Toxoplasmosis and is performed in collaboration with Professor Jenefer Blackwell, Cambridge Institute for Medical Research, Cambridge, UK.
12. 2002 –2005 European Consensus Conference on Congenital Toxoplasmosis. 5<sup>th</sup> Framework Programme, EU, 300,000 € In collaboration with Dr Ruth Gilbert, Institute of Child Health, London, and Professor Roger Salamon ISPED, Université de Bordeaux, France
11. 2000 - 2003 European Multicentre Study of Congenital Toxoplasmosis - II (EMSCOT - II). Coordinator. Dr Ruth Gilbert, Institute of Child Health, London, EU, 5<sup>th</sup> Framework Programme, 640,000 €
10. 1999-2002 Malaria Control in pregnant women in Ghana. Coordinator Dr Kim David, Danida, 1.5 mio. DKK
9. 1997-2000 European Multicentre Study on Congenital Toxoplasmosis. EU, 4th Framework Programme. 405,000 €
8. 1998 - 2001 Diagnosis and typning of *Mycobakterium tuberculosis* in the Baltic countries. EU INCO-COPERNICUS 300.000 DKK.
7. 1996 - 1998 European Study Group on Congenital Toxoplasmosis. EU BIOMED III 300,000 €

6. 1994 - 1996 Field trial of impregnated bed nets and Maloprim in West African children (Sierra Leone), Part II. EU STDIII 300,000 €. The project was closed due to the civil war in Sierra Leone.
5. 1993 - 1998 Identification of virulence factors in *Toxoplasma gondii*. A joint project with Dr med vet Peter Lind, Danish Veterinary Institute, Copenhagen. National Medical and Veterinary Research Councils. 1.5 mio DKK.
4. 1993 - 1996 The influence of impregnated bed nets on the outcome of pregnancy in an area with holoendemic malaria (Sierra Leone). DANIDA 1.5 mil. DKK.
3. 1993 - 1995 European Study Group on Congenital Toxoplasmosis. EU BIOMED1, 293,000 €
2. 1991 - 1994 Field trial of impregnated bed nets and Maloprim in West African children (Sierra Leone). EU, Science and Technology for Development 550,000 €
1. 1989 - 1991 Health Surveillance and Rice Farming in Eastern Liberia. 6th European Development Fund 594,000 US\$. The project was closed due to the civil war in Liberia.

Invited speaker:  
*Future vaccines against Apicomplexan parasites with Toxoplasma gondii as the model*
- European Congress on Clinical Microbiology and Infectious Diseases ECCMID, Vienna 10-13 April. Invited speaker.  
*Management of severe and complicated influenza H1N1*
- Northern European Conference on Travel Medicine. Hamburg 26 – 29 May. Chairman, session on:  
*Rapid infectious disease surveillance systems*
- International Conference on Clinical Toxoplasmosis, Marseille, France Invited speaker. 20 – 22 October.  
*Vaccines against Toxoplasma*
- Course of Perinatal Infections, University of Barcelona, Spain. 26 November. Invited speaker.  
*Screening for congenital Toxoplasma, pro's and con's.*

---

- ESCMID Summer School 2 – 8 July  
Sevilla, Spain  
*New methods in diagnostic parasitology*
- ESCMID Postgraduate course on Infections in the pregnant mother and newborn child 25 – 29 Sept.  
Bertinoro, Italy  
*Malaria in pregnancy*
- 2017
- ESCMID Postgraduate course on Hospital Acquired Infections  
22 – 24 March  
Muscat, Oman  
Co-organizer  
*Antibiotics stewardship – is it too late ?*
- Refugee Health, Palermo, Italy. An ESCMID post graduate workshop.  
October 3rd.  
*Screening arriving refugees for malaria – is it necessary?*
- 3rd International Conference on Mass Gatherings Medicine  
23-25 October 2017, Ministry of Health, Riyadh, Saudi Arabia  
*Surveillance of emerging infections using informal networks*
- Gulf Patient safety Conference, 25 – 26 October, Dubai  
*Malaria risk from blood transfusion*
- 2018
- ICID, International Conference of Infectious Diseases, 1 – 4 March 2018, Buenos Aires.  
*How to get your study published – meet the editor of the IJID*
- Migrant Health, ESCMID Workshop, 8 – 10 March, Muscat Oman.  
*Modalities for health promotion and risk communication for migrants, e.g. CCHF and malaria*
- Diploma course in tropical medicine for physicians, Bernhard Nocht Institute for Tropical Medicine, 30 June – 1 July 2018. Hamburg, Germany.  
*Infectious disease challenges in the Middle East*
- IMED - International Meeting on Emerging Diseases and Surveillance 9 – 12 November 2018, Vienna (Organizer ProMED and ISID).  
*Clinical challenges associated with emerging infections*
- 2019
- ID-week Dubai 24 – 26 April, 2019  
*Vaccine hesitancy and immunizations in pregnancy.*
- Emerging Infections. ESCMID course, Florence, 13 – 15 May  
*Returning travellers as sentinels for emerging infections*
- ID-week Abu Dhabi, 24 – 26 October, 2019  
*The measles epidemic and Antibiotic Stewardship*
- Annual meeting of the Russian Federation of Tuberculosis specialists Moscow 13 November 2019.  
*Diagnosis and management of latent tuberculosis.*
- 2020 Annual meeting of the Danish Society for Cardiology 18 March 2020, Århus University Hospital  
Main speaker: *Danish contribution to the diagnosis and management of infectious endocarditis.*

## **Administrative and organisational experience**

### **Revision of the candidate part of the medical studies, Faculty of Health Science, Aarhus University**

2008-2009                   Participated in working group 3 “Consistency and Continuity”.

### **Editorial work**

- 2012 -                   Editor-in-chief. International Journal of Infectious Diseases.
- 2012 -                   Associate editor. Travel Medicine and Infectious Diseases
- 2010 - 2012               Member of editorial board, Journal of Clinical Microbiology, Americal Association of Clinical Microbiology.
- 2011 - 2012               Member of the editorial board, Expert Review of Anti-Infective Therapy
- 2011 - 2012               Member of the editorial board, Current Infectious Disease Reports, a journal published by Springer.
- 2005 - 2015               Editor, Danish Drug Information Catalogue (Lægemiddelkataloget; [www.lmk.dk/](http://www.lmk.dk/)) responsible for anti-parasitic drugs and vaccines except childhood vaccines.
- 1999 -                   Co-Editor (Moderator) on parasitic diseases. ProMED ([www.promedmail.org](http://www.promedmail.org)). ProMED is a global, electronic news service reporting outbreaks of infectious diseases. ProMED is a programme under the International Society of Infectious Diseases, Harvard School of Medicine.

### **Scientific committees**

- 2017 -                   Co-chair with Nicola Petrisillo a new ESCMID Task force on emerging infections
- 2012 - 2018               Member of the Educational Sub-committee, ESCMID. The committee over see and approve all ESCMID postgraduate training activities.
- 2009 - 2011               Program Committee member. European Conference on Clinical Microbiology and Infectious Diseases, ECCMID.
- 2007 - 2011               Scientific Secretary, Working Group on Clinical Parasitology, European Society of Clinical Microbiology and Infectious Diseases, ESCMID.
- 2011 - 2015               Member of the board, Working Group on Clinical Parasitology, European Society of Clinical Microbiology and Infectious Diseases, ESCMID.

### **Biotech advisory board member**

- 2010 -                   Member of advisory bord for the French biotech company “VitamFero”, Evry, France, which work with vaccine development with Toxoplasma gondii as the model organism.

### **Referee for scientific journals**

- Acta Neurologica Scandinavica
- Acta Tropica
- American Journal of Gynecology and Obstetrics
- American Journal of Ophthalmology
- American Journal Tropical Medicine & Hygiene

#### Scientific societies, membership

1976 -	Royal Society of Tropical Medicine and Hygiene
1976 -	Danish Society for Tropical Medicine and International Health
1985 -	Danish Society for Infectious Diseases
1989 -	Danish Society for Parasitology
1992 -	Scandinavian Society for Parasitology
1995 -	Danish Society for Clinical Microbiologi
1997 -	Danish Society for Travel Medicine
1997 -	European Society for Clinical Microbiology and Infectious Diseases
1998 -	Danish Society for Quality Assurance in Health Care
1999 -	American Society for Microbiology
2003 -	Infectious Disease Society of America

#### International meetings, member or chairman of the organising committee

January	1992	Congenital Toxoplasmosis. European seminar to prepare application to EU 2nd Framework Programme. National Medical Research Council.
September	1994	Parasitic Zoonoses. Joint Baltic-Scandinavian symposium, Vilnius. Lithuania, 6 - 8 September 1994.

September	1995	Chairman. Biological Standards in Serological assays. A joint meeting between the WHO Expert Committee on Biological Standardisation and Statens Serum Institut.
May	1998	Scandinavian Congress on Travel Medicine, Stockholm
May	2000	Scandinavian Congress on Travel Medicine, Bergen, Norway.
June	2000	European Congress on Congenital Toxoplasmosis. Vienna, Austria. Chairman, organizing committee.
June	2003	International Toxoplasma Conference, Copenhagen. Chairman of organizing committee.
May	2004	Scandinavian Congress on Travel Medicine, Stockholm. Member of organizing committee.
October	2005	European Toxoplasma Consensus Conference, EUROTOXO Bordeaux, France. Member of organizing committee.
May	2006	Toxoplasma and Food ( <a href="http://www.pa.izs.it/toxofood/">http://www.pa.izs.it/toxofood/</a> ) Istituto Zooprofilattico Sperimentale della Sicilia, Palermo, Italy. Member of organizing committee.
June	2007	Northern European Congress of Travel Medicine. Edinburg, United Kingdom. Member of organizing committee.
September	2008	Toxoplasma Centenary Congress, Buzio, Brazil. Chairman, international organizing Committee.
October	2010	International Conference on Clinical Toxoplasmosis, Marseille, France. Member of the organizing committee.
November	2012	The febrile traveller. A postgraduate course by ESCMID. Member of the organizing committee.
October	2014	Emerging infections in the Mediterranean and Middle East. Izmir, An ESCMID post graduate workshop.
November	2015	Update on new diagnostic methods in microbiology. Beijing. An ESCMID post graduate workshop.
March	2017	Hospital Acquired Infections. Muscat, Oman. An ESCMID post graduate workshop.
May	2017	CISTM15, Barcelona. Member of the Scientific Program Committee.
March	2018	Migrant Health, Muscat, Oman. An ESCMID post graduate workshop. (proposed not yet granted)
October	2018	Migrant Health, Rome, Italy. An ISTM conference. Member of the International scientific Board.

Consultant for Connect-Denmark

2002 - 2009 Connect Denmark is a non-profit organisation offering expert advice to new start-up companies. Connect assist in developing business plans and identify potential investors through so called "Springboards"

Danish Maritime Authority

Danish Armed Forces

2000 - Consultant on prevention of infectious diseases and in particular malaria prophylaxis. Prepared data that allowed the armed forces to stop giving troops malaria prophylaxis in Iraq. Advisor on malaria prophylaxis.

2010, 2012 June. Two day course in Infectious Diseases and Tropical Medicine for medical staff physicians and auxilliary staff). Skalstrup airforce base, Roskilde.

2013, 2014, 2015      Tropical Medicine. Course organizer. Two week Postgraduate training course for army physicians.  
Skalstrup airforce base, Roskilde, Denmark

2014 – 15 Member of the Ebola evacuation team, Danish Airforce.  
Participated in Ebola evacuation mission 5 – 7 March, Freetown, Sierra, Leone

#### **Quality control and accreditation**

1995 - I have since April 1995 been Assessor for SWEDAC (Swedish Board for Accreditation and Conformity Assessment), where I have participated in the accreditation of 14 department of clinical microbiology, and courses on the implementation of standards EN45001 and ISO17025. I am a member of SWEDAC's reference group for clinical microbiology.

2000 - Ekspert, Danish Medical Devices Certification, an organisation under Dansk Standard approving medical devices according to the EU In Vitro Diagnostics directive

2002 Assessor DANAk Danish Accreditation Authority

SWEDAC theoretical course in ISO17025 in clinical microbiology

2004 Consultant for DEKS (Danish External Quality Assurance) on molecular diagnostic methods in microbiology

2007 Responsible for quality control and assurance at the Department of infectious Diseases and responsible for accreditation of the department after the Danish national standard (IKAS).

2008 SWEDAC. Course in implementation of the ISO17025 standard in Clinical Microbiology. SWEDAC, Borås, Sweden, 23 – 26 october.

2009 Responsible for the accreditation process at the department of infectious diseases, Aarhus University Hospital Skejby under the DDKM (Den Danske Kvalitets Model) standard.

During my employment at Statens Serum Institut, I had the responsibility for accreditation of the department of Mycobacterial and Parasitic infections after the EN45001 standard in 1996 and the Department of Gastrointestinal and Parasitic Infection after ISO17025 in 2002.
