

Curriculum Vitae scientifico professionale

Personal information

First name/Surname **Ioana Popa**
 Address Via Forlanini, 2, 27100 Pavia, Italy.
 Telephone + 39 038 298 75 33
 Cell. + 39 348 851 95 74
 E-mail ioana.popa@unipv.it
 Citizenship Italian and Romanian
 Date and place of birth 14/05/1951, Costesti, Valcea, Romania
 Gender Female

Work experience

Dates Occupation or position held Name and address of employer	August 2021-July 2025 Researcher in Public Health Research Fellowship Grant "Monitoring the health status of workers in a petrochemical plant" University of Pavia, Department of Public Health, Experimental Medicine and Forensic, Unit of Clinical Epidemiology and Biostatistics,
Dates Occupation or position held Name and address of employer	January 2024- August 2025 Project Manager Central European Initiative (CEI) - Know How Exchange Program Project: "CEI support for increasing capacity of research in Occupational and Environmental Health in the Republic of Moldova"
Dates Occupation or position held Name and address of employer	March 2021- January 2023 Project Manager Central European Initiative (CEI) - Know How Exchange Program Project: Improving Occupational Health and Safety System in Republic of Moldova
Dates Occupation or position held Name and address of employer	February 2021- March 2021 Researcher in Public Health , Project "Costi della comorbidita in persone con sclerosi multipla" Fondazione "Istituto Neurologico Nazionale Casimir Mondino", Pavia, Italy
Dates Occupation or position held Name and address of employer	February 2009 – January 2021 Researcher in Public Health University of Pavia, Department of Public Health, Experimental Medicine and Forensic, Unit of Clinical Epidemiology and Biostatistics, Via Forlanini, 2, 27100, Pavia, Italy
Dates Occupation or position held Name and address of employer	2005 – 2008 PhD Student in Research in Public Health, Sanitary Sciences and Formative University of Pavia, Corso: Strada Nuova, 65, Pavia, 27100, Italy.
Dates Occupation or position held Name and address of employer	January 2004 – November 2008 Research Fellowship University of Pavia, Department of Applied and Psycho-Behavioural Health Science, Via Bassi, 21, 27100 Pavia, Italy
Dates Occupation or position held Name and address of employer	August 1998-June 2004 Monitoring and Evaluation Expert , Romania Child Welfare Reform Project, The World Bank , 1818H Street, N.W. Washington D.C. 20433, U.S.A
Dates Occupation or position held Name and address of employer	January 1998-July 1998 Project Manager, Expert in Social Policies , Coopération Franco-Roumanie pour les Politiques Sociales, Bucharest, Romania
Dates Occupation or position held Name and address of employer	November 1995 - December 1998 Associate Professor / Scientific Researcher , National School of Public Health, Management and Professional Development, Vaselor 31, sector 2, Bucharest, Romania

Dates Occupation or position held Name and address of employer	December 1997- August 2001 Monitoring and Evaluation Expert UE-short term expert (TACIS and LIEN projects) Commission of the European Union, rue de L'Industrie 42, Brussels, Belgium
Dates Occupation or position held	January 1994-November 1997 Project Manager – Technical Assistant, Childhood Protection Program DPC-EU/Phare, Bucharest, Romania
Dates Occupation or position held Name and address of employer	October 1990 – December 1994 Research Fellowship in Epidemiology (<i>Associate professor</i>) Institut National de la Santé et de la Recherche Médical (INSERM) Paris, France -.Unité de Recherche Epidémiologique sur la Santé des Femmes et des Enfants, 16, Av. P. Vaillant Couturier, 94807 Villejuif Paris
Dates Occupation or position held Name and address of employer	October 1978 – October 1995 Researcher in Public Health Hygienic and Public Health Institute – Social Medicine Laboratory, Str. Dr. Leonte 3-5, Sector5 Bucharest, Romania
Dates Occupation or position held Name and address of employer	August 1973-october 1978 Mathematics Hygienic and Public Health Institute – Social Medicine Laboratory, Str. Dr. Leonte 3-5, Sector 5, Bucharest, Romania
Other work collaborations	
Dates Occupation or position held Name and address of employer	April 2018-Fevrier 2020 Project Manager , Expert in management of social policies, Technical Assistance Project for Child Protection Support in Morocco "Program of the European Union for the Kingdom of Morocco". Rabat. Conseil de Santé. France.
Dates Occupation or position held Name and address of employer	December 2012 - February 2013 Rapporteur FP7 – SME-2013 Health Panel European Commission Agency SME Actions Unit –S1
Dates Occupation or position held Name and address of employer	2005 in progress Expert evaluator of UE projects European Commission, Research Executive Agency SME Action Unit –S1 (Programs: INTAS, FP6, FP7, FP7-SME-2013, H2020)
Dates Occupation or position held Name and address of employer	August 1998 - June 2004 Monitoring and Evaluation Project Expert in Eastern Europe The World Bank, 1818H Street, N.W. Washington D.C. 20 433 U.S.A.
Education and Training	
Dates Title of qualification awarded Name and type of organization Vote	2005 - 2008 PhD in Research in Public Health, Sanitary Sciences and Education University of Pavia, Italy Optimal vote Link: PhD thesis
Dates Title of qualification awarded Name and type of organization	February 1997 Associate Professor (Principal Scientific Researcher grade II -mathematician grade 4) Ministry of Health, Institute of Health Services Management Bucharest confirmed by Romanian Academy of Medical Sciences
Dates Title of qualification awarded Name and type of organization	August -September 1994 Training in Health Services Management Manchester University, Health Services Management Unit, England,
Dates Title of qualification awarded Name and type of organization	September 1993 – November 1993 Software Initiate : SAS, SPSS and BMDP Statistical Services du SINAPS (Service Computer Science Applications) from National Institute of Health and Medical Research (INSERM) Paris, France
Dates Title of qualification awarded Name and type of organization Vote	June - July 1993 Certificate of graduation in: Improvement in epidemiological and statistical methods Epidemiological bases for the evaluation of Public Health intervention Faculty of Medicine Paris - Sud, University of Paris XI, Kremlin Bicetre, France Very good
Dates Title of qualification awarded Name and type of organization Vote	1980-1981 Diploma of specialization in Demography - Population and development Demography Centre of the United Nations (CEDOR) in Romania Degree with merit

Dates Title of qualification awarded Name and type of organization Vote	1978-1979 Diploma of Mathematics Modelling and Operational Research in management <i>Bucharest University, Romania</i> 10/10
Dates Title of qualification awarded Name and type of organization Vote	June 1978 Scientific Researcher in Public Health Ministry of Health, Institute of Hygiene and Public Health Bucharest confirmed by Academy of Medical Sciences of Romania 10/10
Dates Title of qualification awarded Name and type of organization Vote	1969-1973 License in Mathematics University of Bucharest, Romania, Mathematics Faculty 10/10
Dates Title of qualification awarded Name and type of organization Vote	1969 Scientific maturity Scientific High School, Horezu, Vâlcea, County Romania. 9,4/10

WORK UNDERTAKEN THAT BEST ILLUSTRATE CAPABILITY TO HANDLE THE TASKS ASSIGNED

1. Participation in the implementation of the Know-How Exchange Program (KEP) Central European Initiative (CEI) in Republic of Moldova, KEP /Ref: No. 304.4.22-20, 2021-2023

Project name /objectives		Participants	Position/Tasks
Improving Occupational Health and Safety System in Republic of Moldova (RM).		UNIPV- Italy, UNIHU- Hungary and SMPHU Republic of Moldova	Project Manager
O1	To implement the most appropriate research methodologies for estimating risk factors due to occupational exposure.	Italy, Hungary and Republic of Moldova	Expert in research methodology
O2	To review the national legislative and normative acts in order to facilitate the ratification of ILO convention on occupational health and safety in RM.	Italy, Hungary and Republic of Moldova	Statistical expert for National Register in RM
O3	To strengthen the competencies of the academic staff in occupational health and safety.	Italy, Hungary and Republic of Moldova	Expert in occupational epidemiology
O4	To establish a sustainable research partnership between the Republic of Moldova, Italy and Hungary	Italy, Hungary and Republic of Moldova	Researcher in Public Health International Experience

2. Participation in Research Project grants

Years	Project name	Participants	Position/Tasks
1991, 1993	Investigation on Health and Medical Care in Romania.	Research, Study and Documentation Center in Health Economy Research Paris (CREDES)-France and National Institute of Public Health-Romania	Study Coordinator epidemiologist statistician
1991	Mortality and morbidity while the period rounding the birth, in Romania.	Childhood International Centre, Paris, France and National Institute of Public Health- Romania	Study Coordinator Demographer Epidemiologist
1990-1994	Perinatal and infant mortality - Informational System and Analysis Methods.	Epidemiological Research Unit on the Women and Children Health, Paris, France (INSERM Unit 149)	Epidemiologist and Statistician
1994	Causal analysis of social and regional inequalities faced with infant health and death in Europe - Definition of the vital events and infant health indicators in Romania	Catholic University of Louvain Belgium, Demography Institute National Institute of Public Health-Romania	Study coordinator Demographer Epidemiologist
2009-2010	Methodology for the establishment of an observatory on prisons in Lombardy, Italy	Lombardy Region, Italy University of Pavia	Expert in statistics and Information Systems

3. Responsibility for scientific studies in Research collaborative programs

Years	Project name	Participants	Position/Tasks
2024-2025	CEI Support for increasing capacity of research and action in occupational and environmental health in Republic of Moldova	University of Pavia, Italy Nicolae Testemisanu State University of Medicine e Pharmacy, Republic of Moldova	Project Manager Visitor Professor Scientific Researcher in Public Health
2021-2023	Improving Occupational Health and Safety System in Republic of Moldova	Italy, Hungary and Republic of Moldova	Project Manager Epidemiologist
2020-2023	Psychological effects of quarantine due to the Covid-19 pandemic	Italy, Colombia, Spain, Mexico, Brasilia	Epidemiologist and statistician
2018-2020	Technical Assistance for Child Protection Support in Morocco	Ministry of Family, Solidarity, Equality and Social Development Morocco, "Program of the European Union for the Kingdom of Morocco" Conseil de Sante, France	Project Manager Expert senior category 1 in child protection policy management
2010-2012	European Partnership Training for an Inclusive society	Romania, Hungary, Italy, France, Spain	Long term expert from University of Pavia Researcher in public health and education
2009-2010	"Orchideea" Knowing how to intervene: the establishment of a Provincial observatory as a resource for joint design	Università of Pavia, Italian Ministry of Justice ASL Pavia, Lombardy region	Monitoring and evaluation expert
2008-2009	Program PRIN: Morbidity and mortality in infancy: risks factors and incidence in Italy	Minister of Education, Universities and Research from Italy University of Pavia, Italy	PhD researcher in the Program Implementation Team Demographer and epidemiologist
2007-2009	Cooperation between Italy and Romania for the children's juridical protection	Italian Ministry of Justice, University of Pavia and District Milano, Romanian Ministry of Justice, National Administration for the Penitentiaries in Romania and National Authority for the Protection of Child's Right in Romania	Project Manager Expert in Childhood Protection
1998-2004	Romania Child Welfare Reform Project (ID ROPE55495) World Bank	World Bank Romanian Government, Ministry of Labour, Social Solidarity and Family - National Authority for Child Protection and Adoption	Monitoring and Evaluation Expert in the International Project Implementation Team of the World Bank (US)
1997	Assessment of the "Home hospital" for the children with severe disabilities in Romania	World Bank, United States Agency for International Development (USAID) Secretariat of the State for the Handicapped in Romania	Project manager Epidemiologist and Statistical Analyst
1991-1994	Investigation on live births and foeto-infant deaths in Romania	INSERM – Research Unit on Women and Child Health, Paris, France National Institute for Health Services and Management Bucharest, Romania	Project manager Research in Public Health Epidemiologist
1992-1993	Les enfants places en long séjour dans les departments de Hunedoara, Cluj et Timis, in Romania	INSERM France, Observatoire Regional de la Santé de Languedoc-Roussillon, The Romanian League for Mental Health, Medecins du Monde, France	Statistical consultant Epidemiologist and statistician

4. List of selected research product

4.1. Reports, Guidelines and Monographs by projects (my participation as author / co-author / coordinator)

1. *Project: Childhood Protection Program DPC/EU Phare, 1994-1997*

1. The guide of the performance indicators.
2. The reintegration of the children from the establishment in their original families.
3. A project of integration of the children from the establishment in foster families.
4. The development of a placement family policy.
5. The placement center. The family placement center.
6. The reorganization of a special school for the children with intellectual deficiencies according to their personal and socio-familial characteristics.
7. The restructuring of the protection establishment for the children. Agreement conditions of these establishments.
8. An informing guide for the practitioners in the child protection in Valcea, Prahova and Buzau.
9. A methodological guide for the practitioners in the child protection from Romania.
10. The informatization of the activity of the Commissions for the Child Protection.
11. The institutionalization of the children in Romania.
12. A protocol of the evaluation and orientation of the child in difficulty.
13. The commissions for evaluation and orientation of the child in difficulty. A reform proposition.
14. The census of the children / youngsters placed in the protection - establishments in Romania may 1997. A synthesis of the results. Volume 1. Preliminary results - volumes II and III.
15. The documentary film "The children are waiting for us".
16. Organization and Functions of the Child Protection Commission in Romania

Project "Romania – Child Welfare Reform Project", 1998–2004, World Bank

1. Methodological Guide for the project elaboration and evaluation. Project component – Community based Child Welfare Services.
2. Project Manual Implementation - Chapters: Monitoring and Evaluation, Implementation.
3. Management Informational System.
4. Procedures for the Project Implementation.
5. Methodological Guide for the project elaboration and evaluation. Project component - Street Children.
6. Key Performance Indicators - Final Report /Child Welfare Reform Project 1999-2002 World Bank Project 4362 R Council of Europe Bank Project 1265 and ANPCA.

Project "Protectie Copil" 2007-2009

- Cooperazione per la protezione giuridica dei minori romeni in Italia e Romania (in Italian)
Editor: La Goliardica Pavese, 2009. Authors: Ioana Popa, Cristina Montomoli, Cristina Oancea University of Pavia in collaboration with: Serenella Pesarin, Ministry of Justice from Italy, Sergio Castelli and Letizia Miglioli Provincia di Milano, Lombardy, Flavia Croce and Daniela Giustiniani CGM Lombardy.

Project "Improving Occupational Health and Safety System in Republic of Moldova" 2021-2023

Project Management Unit – Internal Procedures Manual, Italy-Pavia, April- May 2021, Authors: Researcher Ioana Popa, Prof. Simona Villani, University of Pavia, Italy. 4 Progress implementation Reports and Final Implementation Report. Courses: STATA Introduction and Basic Concepts in Epidemiology.
